

Count on us to take you there

For over 10 years A1A Transportation has been providing bus service in Miami-Dade and Broward Counties. Approved by both school boards, we are very familiar with the requirements for daily transportation of students to and from school and field trips. A1A, with more than 30 Buses that meet or exceed federal and state statues, can provide your school with service unparalleled in South Florida.

Our Buses...

All of A1A buses are mechanically maintained at the highest level. The buses are inspected every 30 days at a Miami-Dade County Public Schools Maintenance Garage for certification. Our own mechanics perform daily preventive maintenance at our in-house facility. This preventive maintenance program has helped minimize mechanical breakdowns and provide all of our schools with the confidence that the students are riding on safe dependable buses.

Our Dispatch Office...

Our dispatchers are capable of communicating instantly with our drivers. They also have stand-by drivers and spare buses at their disposal for any emergencies.

Our Drivers...

CLASSROOM TRAINING OF DRIVERS:

Prior to initial certification, each driver successfully completes the State of Florida Basic School Bus Driver Training Course.

CRIMINAL BACKGROUND CHECK:

Drivers are fingerprinted at Miami-Dade County Public Schools by the Florida Department of Law Enforcement and the FBI.

PHYSICAL AND DRUG TEST FREQUENCY:

Each driver must pass an annual physical examination, dexterity test, and drug test. Drivers are subject to pre-employment, random, annual, post accident, reasonable suspicion drug and alcohol testing.

*Principals, Teachers,
Athletic Directors
